**Subject:** Re: Rosemont letter

Thanks for your note Rob. Kathy and I will try to call you around noon. There have been a few more developments that we will fill you in on.

At this point, it is premature for us to develop a path forward since we haven't met with our senior leaders (Acting RA, Director of ENF Division, and Director of Water Division). Our meeting is scheduled for Monday since they are all out of town today. Jason is in our Water Division and we have been coordinating with him extensively.

We can provide the letters later today. I think it would be helpful to have a short conversation today followed by a more detailed one after we've met with our leadership.

Thanks  
Nicole

My first read of the letter led me to check in with Mindy Eisenberg (OW) who indicated that Jason Brush (I assume he's in your OW section?) is coordinating, so please, if appropriate, loop him in as well.

Kelly and Tom are out today, but Elaine and I could be available before noon (est); I have to head over to CEQ NLT 12:30.

It would be helpful if you have the following and can send in advance:

- ? Our DEIS and FEIS comments letter
- ? The letter R9 sent to USACE regarding the 404 permit concerns
- ? A summary of discussions R9 and USACE's DE have had since then, and where both agencies stand on a response to the State rebuttal

If you all have an outline of a proposed way ahead, that would also be helpful. I'll also look for you all to signal to me/Mindy that engagement with USACE HQ would be helpful.

Thanks, Rob

I don't think Kelly will be in, but yes, let's discuss.

Hi Rob-

Thanks for the conversation today. I know you are all are juggling a lot – I think it helps for staff to hear the context. On another note, I'm checking in on Rosemont. We received a copy of a letter sent to Administrator Pruitt from AZ governor and there are few other things going on related to the project. Are you and Kelly available tomorrow to speak with me and Kathy Goforth.

Thanks  
Nicole
